

*Will you join our efforts to build our government relations and political capacity?*

**YES – I am interested in joining the Government Relations Committee in my local!**

Local associations organize government relations discussions, meetings, and activities through their GR Committee. Your effort can ensure back-home lobbying and effective outreach with legislators is a local association priority.

---

**YES – I want to join a State Legislative Action Team in my district!**

Spearhead the effort to communicate to your state senator and delegates on the issues, concerns, and successes in your community's schools. This will build relationships and ensure elected officials are aware of the local impact of their decisions.

**YES – I want to help as a PAC Coordinator at my worksite!**

Lead a PAC drive for MSEA's Fund for Children and Public Education in your building or local association. MSEA's PAC helps give educators the power to deliver our message and influence elections.
