

TABCO SICK LEAVE BANK

BALTIMORE COUNTY PUBLIC SCHOOLS TEACHERS ASSOCIATION OF BALTIMORE COUNTY

Statement of Intent

The purpose of the Sick Leave Bank is to provide sick leave to contributors to the bank after the member's accumulative personal illness (which includes family illness) leave has been exhausted.

Rules

1. The definition of sick leave covered by this bank shall be that leave which is granted to a teacher who because of catastrophic personal illness, injury or quarantine is unable to perform the duties of his or her position. In accordance with article 12.17.1 of the Master Agreement, other excused absences (e.g doctor's appointments) related to the qualifying illness or injury may be granted with proper documentation submitted within one week after the appointment. Sick leave from the bank may not be granted for the period of illness when monies are paid to the teacher under Worker's Compensation Law.
 2. The bank may be used only by the individual contributor for his or her personal illness.
 3. The bank may not be used to care for other members of the contributor's family.
 4. Only accumulated personal illness leave may be contributed to the bank. Vacation and urgent personal leave may not be contributed.
 5. Contributions can be made between July 1 and September 30. Teachers returning from leave will be permitted to contribute to the bank on approval of the Sick Leave Bank Committee. New teachers will not be eligible to join during the first school year in which they are employed, and, if laid off, may contribute within the first thirty (30) days after the effective day of reassignment. A new teacher who was a BCPS employee in another bargaining unit in Baltimore County and who was a member of a sick leave bank in the other unit at the time of receiving a teacher's contract shall be eligible to join the bank immediately. A new teacher who was a teacher in another Maryland school system and who transfers in twenty-five (25) or more days of personal illness leave to BCPS shall be eligible to join the Bank based on approval by BCPS Department of Human Resources. Teachers returning to the system shall be eligible to join the bank immediately if they are eligible to receive previously earned accumulated sick leave and if the amount of previously earned accumulated sick leave is at least fifteen (15) days.
 6. All employees on active duty in the Baltimore County Public Schools for whom TABCO is the exclusive bargaining agent are eligible for membership in the TABCO Sick Leave Bank (SLB).
 7. The initial rate of assessment for **FULL-TIME SICK BANK** members shall be based on the following:
 - 0 to 120 days of accumulated sick leave -- 1 1/2 days
 - 121 to 180 days of accumulated sick leave -- 1 day
 - 181 or more days of accumulated sick leave -- 1/2 day
- CONTRIBUTIONS FOR PART-TIME EMPLOYEES SHALL BE PRO-RATED IN ACCORDANCE WITH ARTICLE 16.13 OF THE MASTER AGREEMENT.**
8. The initial assessment to the bank will be made at the time of joining the bank. Future contributions will be based on need as agreed upon by the Board of Directors of the Association and the Superintendent.
 9. SLB members must use all accumulated sick leave before applying for leave from the bank. The total time a ten month member may draw on the sick leave bank is 191 days and the total time a twelve month member may draw on the sick leave bank is 245, not including holidays, CNDWD, vacation days and the other days the teacher does not normally work.
 10. A member of the bank will lose the right to use the benefits of the bank only by:
 - a. termination or suspension of employment from BCPS.
 - b. cancellation of participation by the member on the proper form at any time.
 - c. while on **ANY** approved leave of absence (including a child rearing leave).
 - d. transfer to a position of another unit within the school system.

11. The existence of the bank and participation by a teacher in the bank does not negate or eliminate the rights of individual teachers who participate in the bank to other sick leave benefits as specified in the Master Agreement.
12. All donations will remain in force and cannot be returned even upon cancellation of membership in the bank.
13. After a member's sick leave is exhausted, the bank can be used on the fourth duty day of absence during the member's illness. The three (3) day deductible will apply to each illness but will be waived for relapses of the same illness. The maximum number of sick days that can be granted in any one (1) fiscal year will be the remaining number of duty days a member is scheduled to work plus included holidays and CNDWD or vacation days they would normally accrue during this period. In no case will the granting of leave from the bank cause a member to receive more than his or her annual salary.
14. The number of accumulated sick leave bank days available to a member will not be calculated to include the number of days, that the member has contributed to the bank.
15. A member who is approved for disability retirement or service retirement may not use the sick leave bank to postpone that retirement.
16. All unused sick leave days in the bank at the end of a fiscal year shall be carried over to the next fiscal year.
