TABCO Sick Leave Bank

How does it benefit you?

Since its inception, the TABCO Sick Leave Bank has provided benefits to many employees who have exhausted their own personal sick leave. **The bank allows employees access to additional days of sick leave for catastrophic personal illness, injury or quarantine as needed prior to their return to work.** The days are donated by fellow employees, providing income when needed most.

How is it managed?

There are three TABCO members who make up the Sick Leave Bank committee. They are selected by the Association. Their role is to receive requests, verify the validity of requests, and approve or deny requests and communicate the decision to the member and the Department of Benefits/Risk Management.

A portion of TABCO membership dues pays for the services provided by the Sick Leave Bank. Additionally, hundreds of hours are spent by the teacher volunteers serving on the TSLB Committee. TABCO provides staff to process claims on the bank and to handle questions about the bank.

What are the limits on usage?

One year for full-time employees. Usage for part-time employees shall be pro-rated in accordance with Article 16.13 of the Master Agreement.

Does it cost anything to enroll?

Each full-time employee joining the sick leave bank for the first time will contribute some of their accumulated sick leave at the rate specified in the Master Agreement. If you have:

0-120 days of accumulated sick leave — 1.5 days contribution

121-180 days of accumulated sick leave — 1 day contribution

181 or more days of accumulated sick leave — .5 day contribution

- Employees returning from leave will be permitted to contribute to the bank on approval of the committee.
- New employees will be eligible to join during their second school year of employment.

Contributions for part-time employees will be pro-rated in accordance with Article 16.13 of the Master Agreement.

Subsequent assessments for members in the bank are determined jointly by the TABCO Board of Directors and the Superintendent, based on the recommendation of the TSLB Committee.

This brochure is intended as an overview of the TABCO Sick Leave Bank. Additional information can be found in Article 12.17 of the Master Agreement and in the Rules & Procedures of the Sick Leave Bank. A copy of the Rules and Procedures is available from TABCO upon request.

How do I enroll?

Complete an enrollment form during the open enrollment period from July 1 through September 30. **Enrollments must be received by September 30 at 5:00 p.m. or postmarked no later than September 30.
