The TABCO Education Summer Application

TABCO's campaign to win a great contract in 2019-2020 is gaining momentum. TABCO is hiring 15-20 members for The TABCO Education Summer. Program participants will go out across the county recruiting members to the TABCO Contract Action Team (CAT): the communications and action network we are building to win the best possible contract in 19-20. The TABCO Educator Summer work will consist of 40 Hrs. at \$15 per hour. Candidates will be required to be available for training and field work from July 22 - August 3, 2019, and participate at the 2019 New Teacher Orientation in late August. Education Summer organizers will stay active with the contract campaign during the 2019-2020 school year.

This work will be challenging, fun, and will make a difference in the lives of our members and our students. **Without you, we can't do it. Together, no one can stop us.**
