

TABCO / ESPBC

23rd Annual Legislative Breakfast

Empower ♦ Advocate ♦ Lead

The TABCO/ESPBC Government Relations Committee invites you, our members, to our annual legislative breakfast to dialogue with our county and state elected officials, along with BCPS leaders.

Saturday, January 4, 2020 9:00 am to 11:00 am
Sheraton Baltimore North, 903 Dulaney Valley Road, Towson, MD 21204

Now is the time to let your legislators know the issues that impact your life in education.

We need to take back our profession!

In order to do that, the legislators need to hear from you. We need you to inform the legislators about the realities of our classrooms and work places. With all of our newly elected legislators, concerns surrounding workload, discipline, resources, class sizes, etc. need to be heard, and they need to hear it from you, the experts, so they can properly support public education.

THIS IS NOT THE TIME TO SIT ON THE SIDELINES!!!

Please RSVP by returning this form by interoffice mail, or email Kim Melfa at kmelfa@mseanea.org or call 410-828-6403 x232. Deadline to register is December 18, 2019.
