How We Endorse Our Candidates

An Even Higher Bar for Statewide Candidates

MSEA invites all statewide candidates to complete a questionnaire and recorded interview.

MSEA shares candidate interviews and questionnaires online with members and Representative Assembly (RA) delegates. A majority vote of MSEA's **Endorsement Council*** sends candidate recommendations to the RA.

Delegates review candidate records, listen to speeches, and vote on the recommendations. A candidate must receive 58% of the delegates' votes for endorsement.
