ROOKIE Recognition Award

This special award is designed to recognize those individuals who have worked in Baltimore County Public Schools for fewer than five years as of Friday, May 8, 2020.

This award will highlight "rookie" teachers who are successfully developing as professional educators and who are going the extra mile in providing quality education for students and a positive image of education and educators.

A person who has demonstrated creativity, implemented a successful project, or done admirable work may be nominated.

Care should be taken to select someone who shows great promise to be an exemplary educator for years to come.
