

TABCO / ESPBC 25th Annual Legislative Breakfast

Saturday, January 8, 2022
9am to 11am

The TABCO/ESPBC Government Relations Committee invites you, our members, to our annual legislative breakfast to dialogue with our county and state elected officials, along with BCPS leaders.

Baltimore County elected leaders and policy makers must understand the reality of educating in a pandemic and the need to increase the school budget, not cut it! They need to hear from you.

Bring your voice to the (Virtual) TABCO/ESPBC Legislative Breakfast.
