

On March 17, we're telling Johnny what our students need!

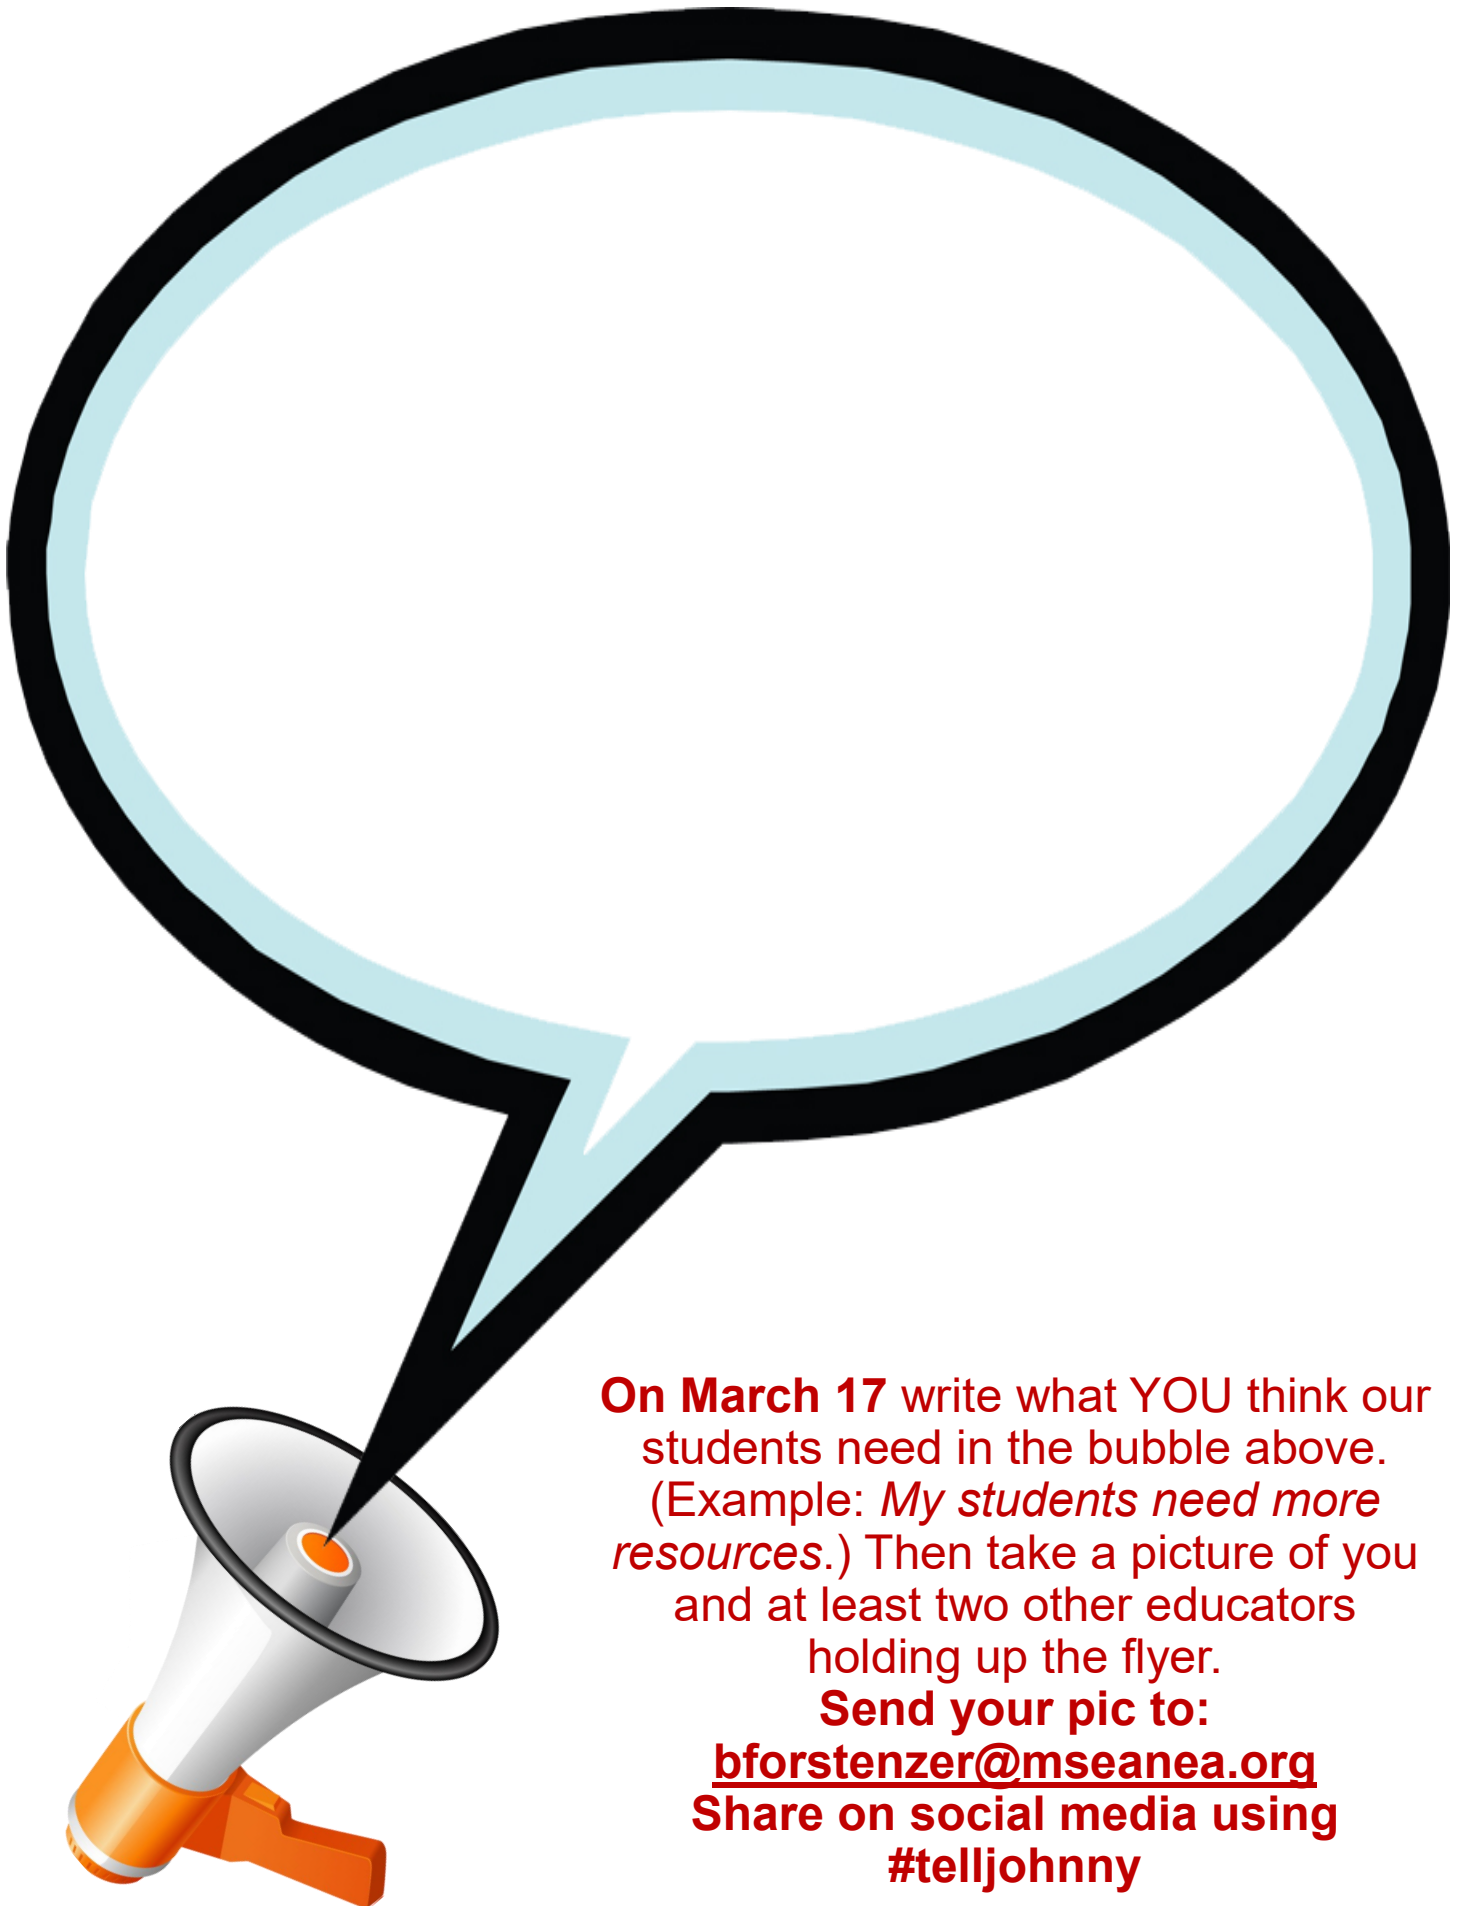

**We're letting the whole county know:
TABCO and ESPBC educators are fighting
for what the children of Baltimore County Need!
Make sure your voice is heard.**

Here's how: on March 17 write what YOU think our students need in the megapone bubble on the back of this flyer.
(Example: *My students need more resources.*)
Then take a picture of you and at least two other educators holding up the flyer.

**Send your pic to: bforstenzer@mseanea.org
and we'll make sure Johnny O.see's it!
