MSEA PRAXIS SUPPORT

MSEA's 2023-2024 Praxis Support has expanded!

MSEA's Praxis Support is MSEA's program dedicated to supporting members working toward certification. Our program focuses on the important need to support, recruit, and retain more educators and build a stronger, more diverse profession. We know that as our student population grows increasingly diverse, it's more important than ever for students to have teachers who reflect that diversity. Join us for professional support, networking, and confidence-building!

MSEA's Praxis Support now includes:

- ParaPro assessment support
- Praxis Core (I) overviews and 1:1 tutoring
- Praxis II overviews, assessment-based small groups, and 1:1 tutoring
- Back-to-basics skills series covering topics like test anxiety, study planning, reading comprehension, pre-algebra and more
