

**Safer Together** is TABCO's innovative campaign to transform the school climate and make Baltimore County classrooms amazing places for teaching and learning.

## WHAT MEMBERS ARE EXCITED ABOUT:

- Discipline plans in writing that are **consistently followed** throughout building with **appropriate consequences** for behavior.
- Cell phone ban (or use cell phone pouches)
- Appropriate student placement.
- School-based discipline plans **consistently** implemented across the county.
- Parent/community collaboration.
- **Time built into the school day for SEL** – students need to develop relationships with their teachers, learn SEL skills.
- More **mental health** professionals/programs.
